

## **Summary of the public places where dogs are allowed on Great Barrier Island**

### **(Great Barrier and Waiheke Local Board areas)**

This information only applies to park, beach and foreshore areas under the control of Auckland Council or the Department of Conservation.

#### **Be a responsible dog owner**

- Keep your dog under control at all times.
- Respect other people's personal space. Public places are for everyone's enjoyment and not everyone is fond of dogs. Remember, under control off-leash areas are shared spaces.
- Pick up after your dog and carry something (e.g. a bag or pooper scooper) to pick-up your dogs' faeces. Dog faeces should be disposed of in bins.
- Know when your dog will ignore commands: put dog on-leash, shorten leash, or avoid the area altogether - even if you are in an off-leash area.

#### **Under control off-leash areas**

On Great Barrier Island, dogs are allowed under control off a leash in the following areas:

- Gooseberry Flat\*\*. Northern end to the bluff, including bluff around to the public toilets and including headland reserve between Gooseberry Flat and Pa Beach.
- Okiwi northern side of airstrip next to the Okiwi airfield.

#### **Under control on-leash areas**
